Silverbow Catering

Silverbow Catering is Alaska's premier catering company for both corporate and social events. No event is too small or too large; in more than 12 years of business, the staff at Silverbow Catering has catered office lunches for 10 up to conferences of 1,000 guests. They boast the largest oven in Juneau, which can cook up to 36 fresh turkeys at a time. They know the important role great food plays in your event, and can customize menus from family style buffets and boxed lunches to hearty breakfasts or simple continental spreads.

The Back Room is available to rent for up to 80 people, and is licensed to serve wine and beer. The facility has full audio video capacity with an 11-foot projector screen, lectern and microphone. Off-premise catering is available for up to 1,000 people at nearby Centennial Hall Convention Center (just two blocks from Silverbow Inn), your home, atop a nearby glacier (yes, it's been done!), or any venue of your choosing in Juneau.
