Back Room Cinema & Gallery

Juneau's alternative art house movie venue displays new and classic films on an 11-foot screen with crisp digital video and five speaker surround sound. Popular with locals and visitors alike, Back Room Cinema & Gallery features a rotating monthly art exhibit, as well as a new film each week. On the first Sunday of each month, they feature a movie for kids at 4 p.m. This is the only place in Juneau where you can mingle with friends, grab wine, beer or dessert and watch a movie completely free of charge.

Since the Backroom Gallery's grand opening in January of 2007, there have been numerous great artist exhibitions. In addition to showing films and displaying artwork, the space has frequently multi-tasked as a live music venue, and has hosted the Carhartt & Extra Tuff Fashion Shows, the Juneau Underground Motion Picture Society's summer film festival and Silverbow's Annual Beer Tasting in August.
